Vicki and Dahnish,

I reached Nancy and she's still on TBA. No word from Marcy Banton. Attached is the most current agenda, which I think adequately addresses where we are.

Do you have any comments?

Thanks,
Susan

Hi – I know things are crazy but I'm going to poke you about the agenda. Maureen is leaving at 4 today. Dahnish will make sure it gets up and posted. We are releasing the September website today also and so are trying to time the communications etc.

Thanks – I'll be following email on my phone.

Here's the update:

- Anne LeHuray is in for BaP, so I moved her. However, she may have someone else who knows more about the dermal slope factor take her place. I told her to keep us posted.
- Susan Borghoff and James Bus are in for TBA.
- I could not reach Marcy Banton.
- Do I need to call Nancy Beck?

Hi – also I have to leave early to take my daughter to the orthodontist. Please just keep me posted on the calls with people. Have they all been like we thought and wanted to speak on TBA?

The general session for Bap DSF. Since there are only 2 people (we think) it should be short.

Please confirm which session 4 you're referring to:

New session 4: general BaP, or old session 4: MOA for thyroid follicular cell tumors.

Thanks!

Thanks so much Laura,

Just a heads up - we are planning on announcing the September meeting on Monday. We are also going to be closing discussant registration for June on Tuesday. I will try to have names so that we can post an agenda on Tues also. Will you all be OK with creating that for us if I get you the NAS names on Monday?

Thanks
Vicki
